Dear Praying Friends,

Greetings in the name of our Saviour, the Lord Jesus Christ. It is with great joy I announce the arrival of our newest grandson, Elam David Mullins. He was born to our daughter Rachel Christine, and her husband Danny, on January 21<sup>st</sup>. Susan and I were in a revival meeting in Mesa, Arizona at the time. We flew back to Ohio the following week so we could marvel, in person, at the goodness of God over Rachel's first child. Please pray for them, and for the rest of our family, as you would like us to pray for yours.

November 30<sup>th</sup> was my twenty-fourth spiritual birthday and the Lord was very good to me that day. I began a revival meeting with Mt. Hope Baptist Church in Harrison, Ohio that morning and at the invitation a lady came forward to be saved. Glory to God! Her adult son, who happened to be a policeman, soon after followed her. Moments later, another lady walked the aisle to be saved! I looked at it as a special birthday gift to me from the Lord. The Lord wasn't finished yet! That evening three more walked the aisle to pray to be saved! I don't know about you, but that stuff excites me. I preached there again while home to see the baby last month and three of the six new converts were in church that morning. The policeman would have been there, but he had to work. II Corinthians 5:17 says, "[Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.](#)" What a blessing it is to see people make professions, then actually change. It makes me think some of them really do get it. Conversely.....

After some good meetings in Ohio in December and the Watchnight service at our home church, we headed south. We went to King James Bible Baptist Church in Covington, Louisiana for the first time and made some new friends there. What a blessing they were! In January I also preached my first ten-day revival meeting in San Antonio, Texas. In a day and age where many meetings are getting shorter, it was refreshing to see well over a hundred folks gather faithfully for twelve consecutive services to hear the preaching of God's Word, sing the old songs of Zion, and fellowship with like-minded believers! What a privilege it was for me to be the preacher.

By the grace of God, over five hundred copies of my book, [Bikin' and Brotherhood: My Journey](#), have been distributed in the prison systems of Texas, California, Florida, Ohio, and New York. Thank you for your prayers about that.

Meetings are going well. Our equipment is holding up. Our goal is to be back in Ohio by Mother's Day. I continue to marvel at God's grace as we wait for His coming. Thank you for your prayers and support.

Looking for that Blessed Hope, and the glorious appearing of the great God and our Saviour Jesus Christ.....
